Now Showing with New Guild Store Look

You may have previously seen the new look in the front of the store. You may have also noticed a new sign in the window. Now, the gallery portion of The Guild Store has also received a new arrangement. The first show to be exhibited with our new look is the 17th Annual Ellen Cook Gaskin Memorial Nature At Its Best Show. We hope this new look will enhance your viewing of this exhibition.

Our Annual Silent Auction Benefit

We would like to continue to support **local free mammograms**. The donations kickoff will start October 1st-4th, and continue to be accepted throughout October. However, the longer an item is available to bid on, the more opportunities there will be to raise funds for an amazing cause. Final bidding day will have light refreshments served while bidders have the opportunity to make their final offers.

Agri-Civic Day

We had an information booth set up at the very busy Agri-Civic Day on August 16th at the Stanly County Agri-Civic Center. Vicki Galloway had a never-ending line for her face painting booth!

Artist Support Grant

The Artist Support Grant (ASG) supports a broad range of talented artists in multiple art genres. ASG funds professional and artistic development for emerging and established artists to enhance their skills and abilities to create work or to improve their capacity to bring their work to new audiences. The Artist Support Grant program is managed through a partnership with the Arts Council of Moore County to serve artists in REGION 12 (Anson, Montgomery, Moore, Richmond, Stanly, and Union counties). **Funding is provided by the North Carolina Arts Council and participating Region 12 arts councils.**

The deadline for applications is Friday, October 10, 2025. Must be received by 5:00 pm.
