Selected works of Konstructive Artisan will be on display at the Agri-Civic Center thru July.

Juan Hardy has a wonderful display of his unique works at the Agri-Civic Center thru July. He uses materials from his "day job" to bring forward creative pieces that would have otherwise been in a landfill. Each piece is truly special. Don't miss the opportunity to meet Juan and learn about his preferred medium and process the next time he is at the SAG Store!

Creative Thursdays are back!

During normal business hours, The Classroom Space can be used as a place to create! Grab a coffee or lunch one from our neighbors, explore art without chores calling you, and have the best day ever!

Make Music Day

Due to unforeseen circumstances, we have had to cancel our Drumming with Dad event, but there are so many more opportunities to **Make Music throughout Stanly County!** Make Music together and let Stanly County be heard!

This is an "anything goes" type of show. There is no official theme. This show occurs during the long mid-summer days, and it's just time for FUN art. We usually have a wonderful variety of art on display during this competition/show. Awarded prizes are 1st, 2nd & 3rd place for 2 categories – 2-D art, and 3-D art. This show is a wonderful opportunity for artists of all types to enter their work and perhaps walk away with a ribbon and cash prize for their creativity. Information and applications are available on our website.
