MONTHLY PROGRAM FOR AUGUST

'Spend Sunday With The Arts' on the 3rd Sunday of the month.

Fall is upon us and Halloween is just around the corner!

Local Huntersville Artist Lynn Cavanaugh will demonstrate making 3D felted pumpkins. Using wool, Lynn will show you how to needle felt a pumpkin, either with a face or without. She will have materials available for several people to make a shape along with her.

Set aside a little time to create: drop in on Sunday, August 16th from 2 pm - 4pm

SAVE THE SYMPHONY

The Stanly County Arts Council has put out a request for help to keep the Charlotte Symphony Orchestra coming back to Stanly County. They need to raise \$12,000 before the end of August. The Stanly Arts Guild Board has approved a donation from the Guild. If you would like further information or to donate please go to:

SAG IS GOING DIGITAL

If you have shopped at the Guild Gift Store in our new location, you know that we now have a Point of Sale cash register. It not only rings up your sale, but also allows tap to pay, inventory management and coordinates with our accounting software. All of this would not be possible without the help of our heroic Treasurer Jeanette McKenzie. She has spent countless hours getting our system up and running. So when you see Jeanette, tell her Thank You!!
